No Cash Refunds @ Pews Bar, Guildford

With two rave single reviews in this first issue of The Buzz, it seemed wise to see if he could carry it off in a live setting.

Just off Guildford's cobbled-stoned High Street, known for its buskers and vibrant energy, you'll find the popular gigging venue, Pew's Bar. At its most recent event, Pews boasted a set list of our talented ACM students, including No Cash Refunds.

Asking for crowd engagement is a bold move, which seemed appropriate considering the confidence and positivity No Cash Refunds exerts. During his performance, he was on the tables, walking around the audience and dancing with friends. Is this the main stage of a Grammy performance - not bad for a Monday night at your local? You just can't take your eyes off him. The crowd energy levels were at their height during his upbeat dance track Patrick Bateman, a fan favourite released in 2022.

After a flashy performance with conceited lyrics and comical remarks, he wrapped up his set with a mellow love track Lily. The song was grounding and endearing. No Cash Refunds had us all wrapped around his finger and wanting more.
